

Team Supervisor

Full time 4 on 4 off shift pattern
Salaried at £28,992pa

We have created an exciting new role within the production supervisory team!

The jobholder will work as part of a small team to co-ordinate and control the production of products, ensuring compliance with food safety, quality, specifications and Company requirements at all times. They are the first line of management and will be expected to give appropriate and timely instruction, training, support, and counselling to workers. The jobholder will ensure all relevant checks and paperwork are completed correctly and will close out any corrective actions as requested. They will be expected to always support the wider site team as necessary, including stepping up to cover the Area Leader and to lead by example at all times.

Candidates must have:

- Demonstrable experience at a supervisory level within FMCG
- Excellent communication skills
- Food safety level 2
- H&S level 2

Candidates will also ideally possess:

- Experience of working with fresh produce
- Relevant first Aid certificate
- COSHH level 2
- IOSH Managing Safely qualification

Anyone with the skills and experience we are looking for wishing to apply should submit their CV and a covering letter to Nichola Freer, HR Manager at nichola@allpressfarms.co.uk
