Allpress Farms Limited is the UK's finest grower and packer of leeks. Due to our continued growth and expansion, we have further opportunities for Processing Operatives to support our leek processing operation.

The role will involve:

- Working in the designated washing / cutting / grading area, monitoring product quality and processing material as required
- Initial cutting of the product with knives on the processing line to required standards
- Maintaining quality and productivity standards
- Ensuring that company personal hygiene standards are maintained
- Carrying out specific cleaning duties as directed on a daily basis

As well as being self-motivated with a good attention to detail you will also have:

- Experience within a food manufacturing environment in an operative position (although we will give you full training and support)
- A logical approach to completing tasks
- The ability to work at pace
- The ability to work as part of a team, as well as on your own
- A hardworking and 'can do' attitude
- A high level of concentration where tasks are repetitive
